

## 2019 Discovery Award

The Banting Research Foundation Discovery Award is a one-year grant of up to **\$25,000** for innovative **health and biomedical research** projects by outstanding new investigators at universities and research institutes in Canada who are within the first three years of their first academic appointment.

### Eligibility

To be eligible to apply, you must:

- be a new investigator at any Canadian university or affiliated research institute who will be within the first three years of the date of first career academic appointment at the application deadline date of March 15, 2019
- have not been awarded by your institution more than \$150,000 in start-up funding (exclusive of support from the Canadian Foundation for Innovation)
- have not been awarded more than \$50,000 per annum in external operating funds at the application deadline date.

Complete guidelines are available at [BantingResearchFoundation.ca](http://BantingResearchFoundation.ca)

Application deadline **March 15, 2019**

### Inspiring health science discovery– building on the Banting legacy

The Banting Research Foundation is a registered charity that funds health and biomedical research in Canada. Our mission is **to invest in the early careers of researchers who demonstrate excellence and creativity in health and biomedical sciences**. Since inception, the Banting Research Foundation has awarded 1350 grants to support a broad range of health and biomedical research projects across Canada.
