As part of the NSTP program, field seasons are expected to be at least 21 days in duration. If your anticipated number of days in the field will be less than 21 days, please provide a brief justification? <i>Example: Total field time is limited in order to lessen the impact of the field research on the breeding bird colony.</i>

In the space provided, please provide a brief budget and budget justification for your total anticipated field costs as outlined in your NSTP application. In addition, if applicable, provide a brief explanation why any particular budget item might be higher/lower than average.

Please discuss how you have obtained or plan to obtain the Indigenous Agreement in Principle (AiP) based upon the discussion with your supervisor.
