THE HARRINGTON PROJECT
FOR DISCOVERY & DEVELOPMENT

Harrington Discovery Institute
University Hospitals | Cleveland Ohio

Harrington Discovery Institute

Harrington Discovery Institute strives to accelerate breakthrough discoveries into new medicines. The Harrington Discovery Institute at University Hospitals in Cleveland, Ohio - part of The Harrington Project for Discovery & Development - is a national initiative dedicated to the next generation of physician-scientists. Our programs are designed to support and encourage bright, innovative MD and PhD researchers who want to help expand and improve the range of medications available to patients.

* Salutation

Mr

▼

* First Name

* Last Name

* Email

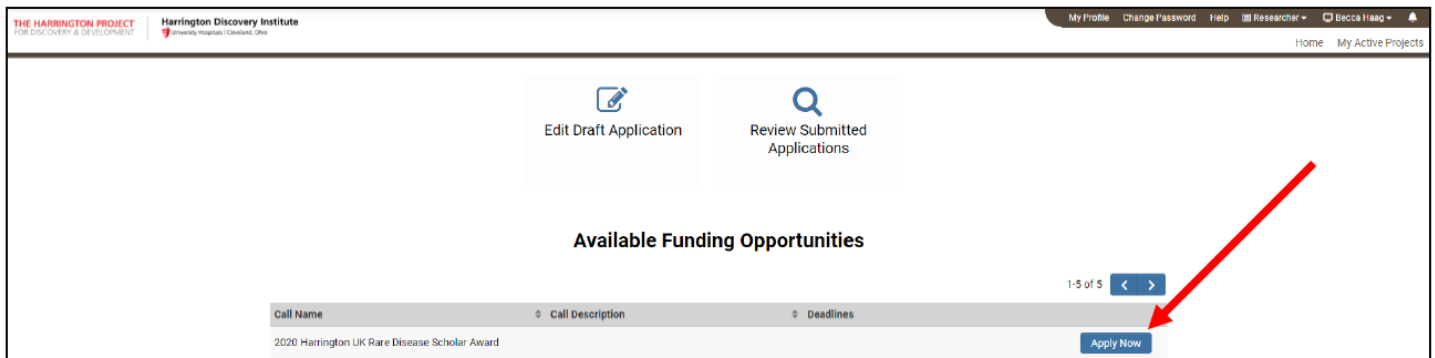

* Professional Title

Submit

3. Once you submit your registration, you can then log into the SmartSimple home page (Step 1).

Starting an Application

- Once logged in, your screen should look similar to the below. Click the 'Apply Now' button for the 2023 Harrington Scholar-Innovator Award.

- The next screen will include eligibility questions. Please answer the questions, then click the 'Continue' button at the bottom of the page.

Are you a physician (MD or MD/PhD)?

☒ Yes
☐ No

Do you hold a faculty position at accredited academic medical centers, universities or research institutions?

☒ Yes
☐ No

Will you conduct your research within the United States or Canada?

☒ Yes
☐ No

Are you a resident or have a valid permit to work in the United States or Canada during the period of the grant?

☒ Yes
☐ No

Do you have a single PI who will be responsible for project oversight & financial management? The PI may engage collaborators, core labs, or commercial CROs to execute any fraction of the project.

☒ Yes
☐ No

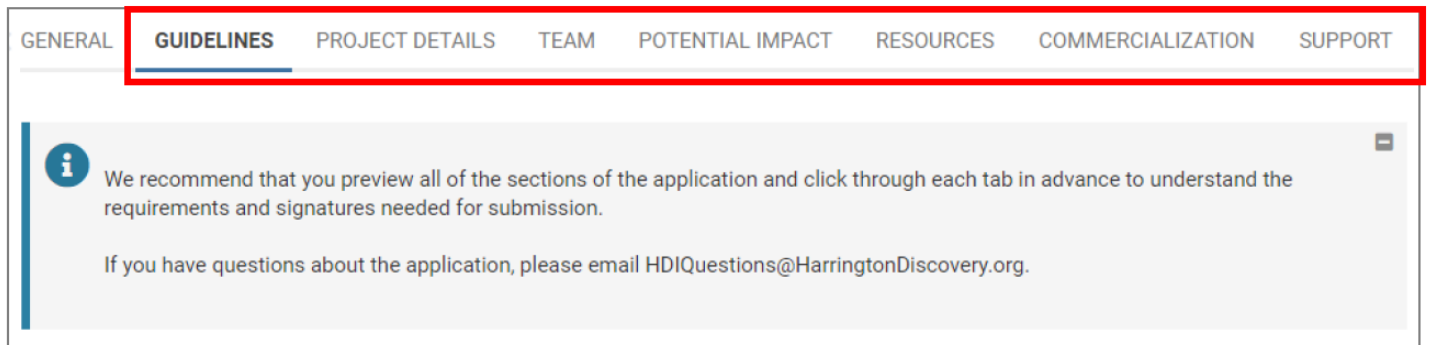

Is this a new proposal? Past recipients of HDI Scholar-Innovator awards may submit new and distinct proposals but may not seek additional support for previously funded projects.

☒ Yes
☐ No

- Once you complete the eligibility questions, you will be taken to the 'Guidelines' tab. This is where the letter of intent (LOI) begins. We recommend that you preview all of the tabs and questions in advance, in order to understand the requirements and signatures needed for submission.

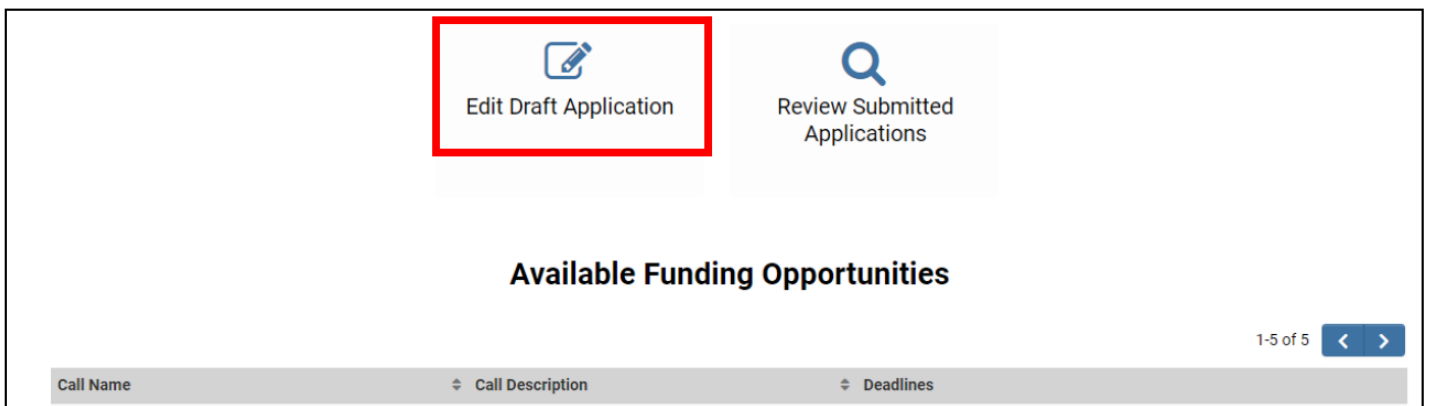

7. After the Harrington Discovery Institute team reviews the LOIs, the applicants who are invited to submit a full application (FA) will be notified.
8. If you are invited to submit a FA, we recommend that you preview all of the tabs in advance, in order to understand the requirements and signatures needed for submission. The tabs include questions under Project Details, Team, Potential Impact, Resources, Commercialization and Support.

9. Once all questions have been answered, click the 'Submit' button at the bottom of the screen to complete your full application.

Save Draft and Edit Application

10. At any time, you can click 'Save Draft' at the bottom of the page and return to your application at a later time.
11. When you log back into SmartSimple to return to your application, click the 'Edit Draft Application' button on the top, and see the application(s) you have in 'Draft' status.

12. Click the 'Open' button to the right of the application to edit, finalize and submit when complete.
